Smash Burgers

We use 100% Minced Chuck Steak for our Smash Burgers. The beef is seasoned and formed into balls then pressed or smashed with a burger press directly onto a very hot grill, the fats within has nowhere to go but back up into the burger patty meaning you're essentially cooking your burger in its own beefy juices.

We serve our Double Patty Burgers in a Toasted Potato Bun with Burger Sauce, Crisp Lettuce, Sliced Tomato and Hand Cut Chips

From The Butchers Block

We use only the finest cattle producers in the USA.

Our Chefs work closely with our suppliers and specific growers to determine the best range of cuts.
